

Mejias Rescue Ranch started as just your average farm and turned into an animal rescue not only for our love of animals but for unforeseen circumstances we have seen during our rescues such as having animals living inhumanely. Mejias Rescue Ranch was founded so that no animal endure the pain and suffering of a life of abandonment and neglect. As animal advocates we work to support and preserve their precious life and strive to create a humane living environment by providing lifetime care, shelter, companionship and love and by promoting the human-animal bond through outreach, education and advocacy, spaying and neutering to end the suffering of overpopulation and to improve the compassionate treatment of all animals - because their lives matter. Help us, help them by showing your support.

We need your help providing adequate shelter (Kennels) for new animals we take in and getting them needed medical care, vaccines, spay and neuter, warm shelter (Winterizing panels/insulation) and food (feed, dog food, cat food, pig food, goat feed) in their tummies.

With your help we can save lives together and give the rescues the much needed love, companionship and a place to call their forever home.
